High Quality - Prototypes - Low & Medium Volume Production - High Mix of PN's

Precision Metal Parts

- **Precision Sheet Metal Fabricating - Complete turnkey**
- **CNC Machining - Milling, Swiss Turning & CNC Lathe**
- **Metal Stampings & Assemblies - Low & high volume**
- **Castings - Sand, Permanent Mold, Die, & Plaster**
- **Aluminum Extrusions—Complete Fabricating & Finishing**
- **Springs & Wire Forms—Custom**
- **Deep Drawing, Metal Spinning and Dip Brazing processes**

Custom Engineered Plastics

- **Injection Molding, Thermoforming, Vacuum & Pressure**
- **Machining of Plastic Parts & Assemblies**
- **Rubber & Silicone Products—Molded & Extruded**
- **Overlay Panels - Metal & Plastic Nameplates and Labels**

Products & Services

- **Fasteners & Electronic Hardware**
- **Bulk Wire and Cable on Spools and Reels**
- **Wire Harnesses, Cable Assemblies & Box Builds**
- **Contract Manufacturing - PC Boards/Electro-Mechanical Assembly**

Members of *MANA*—Manufacturers Agents National Association
We adhere to the MANA Code of Ethics

Precision Metal Parts:

- **Complex to simple piece parts, and complete turnkey assemblies.**
- **Precision sheet metal fabrications.**
- **CNC Machining. Milling, CNC Swiss & CNC Lathe Turning**
- **Custom metal stampings and Mechanical Assemblies.**
- **Prototypes, pilot runs, and scheduled production quantities.**

Custom Engineered Plastics:

- **Injection Molding using aluminum and steel tooling. USA and Asia**
- **Vacuum, Pressure and Twin-Sheet Forming. Low to medium quantities.**
- **Graphic Overlay Panels, Nameplates, and Labels.**

Services and Products:

- **Fasteners and Electronic Hardware.**
- **Cable Assemblies and Wire Harnesses.**
- **PC Board Assembly & Electro-mechanical assembly. USA and Asia**
-

***ISO9000:2008 & 14000 - AS-9100 - FDA
ITAR - DFAR's - QS-9000/TS-16949
FAI's - PPAP - FEMA's - UL/CSA/TUV Rated Materials
Design Assistance - Prototypes - Pilot Runs - Production***

Some of our customers:

**Airbus
AAI Corp.
Becton-Dickinson Diagnostics
Ciena Corp.
DRS Electronics
Emerson Electric
Faro Technology
GE Healthcare
Philips Lighting
Hill-Rom
Immersion Medical
Johns Hopkins-Applied Physics
Lockheed Martin
Northrop Grumman
Rubbermaid
SAIC
TA Instruments (Waters Corp.)
Tessco Technologies
Volvo**

**Aeroflex
BAE Systems
BP Oil—Solar Division
Digital Receiver Technology
Eaton Corp.
Fairchild Controls
Gore, W. L.
General Dynamics
Global Satcom
Honeywell
ITT Industries
L3 Communications
Meso Scale Discovery
Raytheon
Saft Batteries
Smiths Detection
Teledyne
Thales Communications
Wabtec Railway Products**
